Stamps and Thinlits Dies

- Sunshine Sayings
- Sunshine Wishes

Paper

- 5 1/2" x 8 1/2" So Saffron cardstock – card base
- 5 1/4" x 4" Flirty Flamingo cardstock
- 5" x 3 3/4" Whisper White cardstock
- Scrap piece of So Saffron cardstock large enough to die cut the word "sunshine" and the butterfly shape
- Window sheet cut 3 5/8" x 2 3/4" and a scrap piece to support the stem of the flower.

Inks

- Flirty Flamingo
- Emerald Envy
- Tuxedo Black

Accessories

- Big Shot
- Sequins
- Basic Rhinestones
- Foam Adhesive Strips
- Sponges
- Seed Beads – I used a bright yellow

- Cut the flower shape from the 5" x 3 3/4" Whisper White cardstock.
- Cut the butterfly and the word, "sunshine", from the scrap piece of So Saffron cardstock.
- Sponge Flirty Flamingo ink onto the top portion of the die cut flower.
- Sponge Emerald Envy on the stem of the flower.
- Ink up the words "you are my" in Tuxedo Black and stamp on the 5" x 3 3/4" Whisper White you cut the flower shape from.
- Adhere the 3 5/8" x 2 3/4" window sheet piece to the back side of the 5" x 3 3/4" Whisper White cardstock behind the top cut portion of the flower. Adhere the scrap piece of window sheet behind the cut out stem area.
- Adhere the flower into the cut out section.

- Adhere the word “sunshine” to the front of card.
- Adhere the butterfly to the top of the flower.
- Adhere the sequins and rhinestones to the card front.
- Attach the foam adhesive strips around flower top to make shaker. Add strips to card side for support also.
- Fill shaker area with seed beads and attached the Whisper White piece to the Flirty Flamingo piece.

I did this two different ways – because I made two cards! The first time I adhered the lower portion of the Whisper White piece to the Flirty Flamingo piece and then poured the beads in. The second time I poured the beads in and then attached the Flirty Flamingo piece. Do what works well for you!

- Fold the 5 ½” x 8 ½” So Saffron cardstock in half to make card base.
- Attach the Flirty Flamingo piece to the So Saffron card base.
